

FCS Pre-K-4 News

From the Principal

Parent teacher conferences will be held on November 20 and 21. Conferences should be an exchange of information. Here are some helpful hints for parents:

- ⇒ Plan ahead. Prepare questions or a list of information you want to share.
- ⇒ Share information. Let the teacher know of any situation at home that may affect your child's school performance, such as a death in the family, a new baby, or a change in child care.
- ⇒ Let the teacher know in advance if there is a topic you want to discuss. This will allow teachers to better prepare (scores, work samples, etc to aid in the discussion).

The K-4 is Going 1:1

We are thrilled to share that the Smart Schools Bond Act that Fillmore Central School applied for in 2015 was approved. As part of the intent for the funds, FCS has purchased iPads for each of our students in grades K-4 and Dell laptops for each student in grades 5-12. We expect the infusion of this student-centered technology will enable students to explore thousands of educational resources to achieve greater academic and future success.

Fillmore Central School will be distributing the iPads to the classrooms soon! Grades K-4 will store their iPads in their classrooms each day.

Teachers will be sharing information with parents/guardians on exciting ways their children and teacher will be using the iPads in the classroom. Students will master new skills and gain confidence as their teachers are able to reinforce concepts through engaging and interactive activities on the iPads.

All information regarding the 1:1 deployment will be accessible on the FCS website under the Director of Technology page. We are excited to provide students with devices for meaningful opportunities to be creative and deepen learning in the classroom.

Please remember to send a note or call the school **before 1:00 p.m.** if your child/ children will have a change for the end of the school day.

Important Reminders

Closings/ Delays

In the event of a school delay or closing, FCS will use Power Announcement to call families. However, please continue to listen to the radio or watch TV for announcements (in case there are any issues with Power Announcement). Also, please be sure to let the office know if you have a change in your phone number so we can keep our system up to date.
