

# FCS Pre-K-4 News

## From the Principal

I hope your family had a relaxing Christmas Break.

As we begin the new year, I want to remind families about good nutrition. It is essential that students start each day off with a good breakfast and eat a good lunch. Students are better prepared to learn when they are not hungry. A school breakfast and lunch is an affordable way to ensure your child is ready to learn!

Please remember to contact me if you have any questions or concerns.

## Attendance

The most critical part of school success is attendance. Students can not learn if they are not in school. Even missing an hour out of the day can have a big impact on learning. Please do whatever possible to have your child in school, on time every day. Of course there are times a student must be absent, but it is important for every child to be in school!

## Moving? Have a new phone number?

Please remember to give the office your new address and/ or phone number whenever there is a change. In the event of an emergency, we need to have our information as up to date as possible.

## End of the Day

Please remember to have your child check in at the PK-4 Office, if they are being picked up at the end of the school day. We keep a record of students being picked up so we know they are safe. Even if a family member is picking up a student it is important that they check in at the office every day.

Thank you for your cooperation!

## Behavior Prize Winners!

The following students names were pulled for the December Positive Behavior Program Prizes:

#1 Cameron Farnham

## Closings/ Delays

In the event of a school delay or closing, FCS will use Power Announcement to call families. However, please continue to listen to the radio or watch TV for announcements (in case there are any issues with Power Announcement). Also, please be sure to let the office know if you have a change in your phone number so we can keep our system up to date.
